Product Quality and Identification: All lubrication products bid under these specifications must be manufactured or refined from virgin crude oil. Re-refined Petroleum Products Will Not Be Accepted. All containers must be clearly labeled with brand name, the SAE weights, product specifications, and the API classification, where applicable.

Successful bidder must keep bid item in stock. Please No Substitutions On Bid Items. If a substitution must be made, the price must be agreed upon between the receiving officer and the vendor before delivery is made.
