Bid No. 5, One (1) or more, 2020 or newer One Ton Pickup

During a regular meeting of the Board of County Commissioners of Pittsburg County held at 9:00 a.m. this morning at the Pittsburg County Courthouse, Bid No. 5 for One (1) or more, 2020 or newer One Ton Pickup(s) was rejected due to the county's inaccurate bid specifications.

After reviewing the opened bids it was determined that the specifications did not contain accurate specifications as to what the county was requesting.

A resolution to Re-advertise for Bids for One (1) or more, One-ton or larger, 2020 or newer pickup(s) were approved for advertisements during the Board of County Commissioners of Pittsburg County meeting as well.
