Bid No. 5, One (1) or more, 2020 or newer One Ton Pickup

During a regular meeting of the Board of County Commissioners of Pittsburg County held at 9:00 a.m. this morning at the Pittsburg County Courthouse, Bid No. 5 for One (1) or more, 2020 or newer One Ton Pickup(s) was rejected due to all bids failure to meet the specification for a One ton pickup. All bids received were for One and One-quarter Ton pickups for larger. Since the bid specifications only listed One-ton pickups, none of the bids met the bid specifications.

A resolution to Re-advertise for Bids for One (1) or more, One-ton or larger, 2020 or newer pickup(s) were approved for advertisements during the Board of County Commissioners of Pittsburg County meeting as well.

New bid packages will be available at pittsburg.okcounties.org and will also be mailed to all bidders from Bid No. 5.
