# PITTSBURG COUNTY DRUG AND ALCOHOL TESTING POLICY

Revised March, 2025

## **PITTSBURG COUNTY IS A ZERO TOLERANCE COUNTY UNLESS REQUIRED BY STATE LAW.**

To enforce the policy against drugs and alcohol in the workplace and the policy against employees reporting to work under the influence of illegal or abused drugs or alcohol, PITTSBURG County will/may require an individual to undergo a test for drugs and/or alcohol under the following circumstances.

It is the County's intention to comply fully with the Oklahoma Statute on drug and alcohol testing, and the regulations of the U.S. Department of Transportation (49 CFR, Parts 40 and 382). In the event the State laws, State regulations or the DOT regulations are changed, this policy will be amended to reflect those changes and to remain consistent with State laws and regulations and DOT regulations. In such event, the County will notify all employees of these changes.

Paragraphs "1" through "17" below apply to all employees of PITTSBURG County except those covered by federal law or regulation through the Department of Transportation because they drive Commercial Motor Vehicles (CMV) requiring a Commercial Driver's License (CDL).

Drug or alcohol testing of all drivers of Commercial Motor Vehicles (CMV) which require a Commercial Driver's License (CDL) is required by and conducted pursuant to federal law or regulation through the Department of Transportation. This testing is exempt from the provisions of paragraphs "1" through "17" below and is covered by paragraphs "18" through "33" below.

Any employee who seeks medical treatment must inform their physician if they perform a safety-sensitive function. If the physician must prescribe a medication that may affect the employer's safe work performance, a physician's note stating the effects of the medication may have on the employee and whether the employee can perform their regular job. It will be the responsibility of the employee to provide the physician's note regarding work restrictions required to their elected official.

### **OKLAHOMA MARIJUANA USE, POSSESSION OR IMPAIRMENT POLICY FOR NON-CDL/CMV EMPLOYEES**

County prohibits all employees – including those with valid Oklahoma medical marijuana licenses – from using or possessing marijuana while on County's premises or during the hours of an employee's employment. This prohibition against marijuana use or possession applies to any of County's properties or work sites, including exterior areas, parking locations, personal vehicles or County vehicles and during any hours of employment when an employee is performing work or providing services. The prohibition also applies to customer, client or other third-party locations or premises where an employee is performing work or providing services. If an employee's hours of employment include transportation or travel, then the prohibition against marijuana use or possession applies to that transportation or travel time.

County prohibits all employees – including those with valid Oklahoma medical marijuana licenses – from being under the influence or impaired by marijuana during any hours of employment, regardless of location. An employee is under the influence or impaired when marijuana use adversely affects ability to perform a job, interact with others, exercise judgment and/or work safely.

Violation of this Policy may result in discipline up to and including termination. If you have any questions about this Policy or its application, please contact Sandra Crenshaw, Chief Deputy, Board of County Commissioners.

case or proceeding. Further, testing records shall be released in order to comply with a valid judicial or administrative order.

The testing facility, or any agent, representative or designee of the facility, or any review officer, will not disclose to the County, based on the analysis of a sample collected from an individual under this Policy, any information relating to the general health, pregnancy or other physical or mental condition of the individual. However, the County may, in its sole discretion, suspend disciplinary action or impose discipline less than termination, on the condition that the employee successfully completes a program of rehabilitation or treatment satisfactory to the employer. An employee who refuses such an opportunity or who has been afforded this opportunity, but who does not successfully complete their rehabilitation or treatment of the program will be subject to termination from employment.
  - 3. Employees and applicants who test positive for marijuana or its components may be subject to disciplinary action up to and including termination under the County's Marijuana Use Possession or Impairment Policy.
