Pre-Application Instructions

INTENT OF APPLICATION

This grant application is intended for applicants who wish to apply for funds under the Justice Assistance Grant – Local Law Enforcement Program (JAG-LLE).

AVAILABILITY OF FUNDS

The District Attorneys Council, in conjunction with the Justice Assistance Grant Board, announces that **\$417,524** is available for eligible local law enforcement jurisdictions to apply for funding for the JAG-LLE Program. The maximum for each award is \$10,000.

ELIGIBLE APPLICANTS

To apply for a JAG-LLE award through the District Attorneys Council, a jurisdiction must: 1) be ineligible for a direct JAG grant with BJA, and 2) must report UCR information. Oklahoma State Statute # 74 O.S. § 150.10 requires all state, county, city and town law enforcement agencies to submit crime reports to the Oklahoma State Bureau of Investigation. To review this statute, click here:

<http://www.oscn.net/applications/oscn/DeliverDocument.asp?CiteID=101436>

If a jurisdiction is ineligible to apply directly to BJA, and is reporting UCR information, that jurisdiction is eligible to apply for a JAG LLE award through the District Attorney Council.

Police departments and sheriffs' offices must apply through their county commission or city council. Private/nonprofit organizations, campus security departments, jails, and state agencies are NOT eligible to apply for this funding.

For more information on reporting UCR information, contact the OSBI Field Services at 405-879-2644.

APPLICANT REQUIREMENTS - DUNS NUMBER

All applicants are required to include a DUNS (Data Universal Numbering System) number in their application. A DUNS number is a unique nine-digit sequence recognized as the universal standard for identifying and keeping track of entities receiving federal funds. Obtaining a DUNS number is a free, simple, one-time activity. To obtain a DUNS number or to see if your agency already has a DUNS number, call 1-866-705-5711 or go to <https://iupdate.dnb.com/iUpdate/companylookup.htm>

APPLICANT REQUIREMENTS – SYSTEM FOR AWARD MANAGEMENT (SAM)

Federal JAG LLE program funding requires all applicants to be registered on the **FREE** System for Award Management (SAM). The SAM database is the repository for standard information about applicants, recipients, and subrecipients of federal financial assistance.

Registration on the SAM must be current before making application for these grant funds, so please update your registration if necessary. Please Note: Your SAM registration must allow for public search. For more information or to register with SAM, go to <https://www.sam.gov>.

***REQUESTS FOR BODY WORN CAMERAS**

According to the Bureau of Justice Assistance (BJA), law enforcement agencies across the country have begun equipping their officers with body-worn cameras (BWCs) over the past several years. The important benefits of BWCs and the challenges in implementing BWC programs, are highlighted in the BJA Body Worn Camera Toolkit.

The BJA <https://www.bja.gov/bwc/> provides model BWC policies, resources, and best practices to assist departments in implementing BWC programs.

****REQUESTS FOR IN-CAR MOBILE DATA TERMINAL SYSTEMS**

Requests for in-car mobile data terminal systems (MDTs) should include a quote designating the mobile data system, mounting hardware, docking station, mode of IP connectivity, and computer that ensures that the equipment is designed for use in a vehicle to withstand use in a harsh environment. Requests must specify a semi-ruggedized or ruggedized laptop or tablet.

In order to receive funding, the applicant must specify the software system (such as MobileCop) which allows law enforcement agencies to access vehicle tag and driver's license files within the state and allows for seamless messaging between individual law enforcement officers across the state, integration of law enforcement records including mugshot photos, and many other tools utilized by law enforcement officers in a mobile environment.

This is not an endorsement of any vendor or product, but for informational purposes only. Applicants should be aware that there are numerous agencies statewide, including the Department of Public Safety, using approximately 3,500 MobileCop to connect MDTs to the Oklahoma Law Enforcement Telecommunications System (OLETS), Oklahoma Automated Secured Information Sharing System (OASIS), National Law Enforcement Telecommunications System (NLETS), National Crime Information Center (NCIC) and other national, state, and local crime information databases. If you are interested in using MobileCop for system access for in-car laptop computers, contact Capt. David Baisden at 405-615-0242 or via e-mail at sodavbai@oklahomacounty.org for information and guidance with your application.

Any ballistic equipment purchased with JAG funds may be purchased at any threat level, make, or model from any distributor or manufacturer, as long as the vests have been tested and found to comply with the latest applicable National Institute of Justice (NIJ) ballistic or stab standards. In addition, vest purchased must be American made. Information on the NIJ standards can be found at:
<http://www.nij.gov/topics/technology/body-armor/pages/safety-initiative.aspx>.

MATCH REQUIREMENT

There is no match requirement for this grant.

PERSONNEL REQUIREMENTS

The Oklahoma State Auditor and Inspector's Office and the federal granting agency requires that there be sufficient internal controls within the applicant agency to reduce the risk for mismanagement, error, and/or fraud. No one person should control all aspects of procuring and payment of the requested equipment.

The Agency Administrator/Project Director is the contact person for all project activities and is responsible for meeting the goals and objectives of the award. The Financial Officer/Fiscal Officer is responsible for reporting the financial activity related to the award. The Agency Administrator/Project Director and Financial Officer/Fiscal Officer may **NOT** be the same person or have full corresponding access in OKGrants.

Pre-Application Instructions

The Authorized Official/Chief Executive Officer is the person with official signature authority to make financial and programmatic commitments on behalf of the applicant agency. **The Authorized Official/Chief Executive Officer must be the mayor, city manager, chairperson of the County Commission, or an authorized tribal leader.**

AWARD PERIOD

The award period for this grant is January 1, 2022, to June 30, 2022.

NON-SUPPLANTING OF FUNDS

The definition of supplanting means to deliberately reduce a local budget by using federal funds to replace funds designated for that purpose. Supplanting is not allowed under federal funding guidelines.

An example of supplanting is when a local entity budgets \$5,000 for equipment, but rather than spending the \$5,000 as designated by the appropriation, the applicant agency uses \$5,000 of federal funds awarded for the same purpose. The applicant agency replaced the local funds with federal funds thereby reducing the total amount available for the identified purpose. A federal award must enhance or supplement an existing budget and not decrease it because of the use of federal funds.

REPORTING REQUIREMENTS

Subgrantees of the JAG-LLE Program agree to comply with the regulations as set by federal guidelines and the Federal Grants Division in the DAC. These requirements include record-keeping and financial and programmatic reporting. The Financial Quick Reference Guide will be provided in OKGrants when you complete the Award Documents online. It will provide detailed information on the reporting requirements.

COMPLIANCE WITH REPORTING REQUIREMENTS

The Federal Grants Division will review and report on the status of the fiscal and programmatic reporting requirements for all current subgrantees to the Justice Assistance Grant Board. Current subgrantees must have all reporting requirements up-to-date prior to drawing funds on any approved award.

DATA GATHERING

Each funded program will require pertinent data to be collected throughout the life of the grant from the agency or agencies carrying out the objectives of the grant.

EQUAL EMPLOYMENT OPPORTUNITY ASSURANCE OF COMPLIANCE CLAUSE

Compliance with the provisions of the following federal laws is required:

- Title VI of the Civil Rights Act of 1964
- Omnibus Crime Control and Safe Streets Act of 1968
- Section 504 of the Rehabilitation Act of 1973
- Title II of the Americans with Disabilities Act of 1990
- Age Discrimination Act of 1975
- Title IX of the Education Amendments of 1972

ATTACHMENT – BODY ARMOR MANDATORY WEAR POLICY CERTIFICATION

FAQs related to the mandatory wear policy and certifications can be found at www.bja.gov/Funding/JAGFAQ.pdf. A mandatory wear concept and issues paper and a model policy are available by contacting the BVP Customer Support Center vests@usdoj.gov or toll free at 1-877-758-3787.

Staff will review all applications and make recommendations to the Justice Assistance Grant Board . The Board will then consider the recommendations along with other information such as past funding, cost and type of requested equipment, submission of violent crime statistics to OSBI, and history of the applicant regarding closeout procedures of past grants. Priority may also be given to tribal governments, police departments, and sheriff's offices that have not received significant funding or do not have other resources available . The JAG Board makes all final funding decisions.

AWARDS MEETING

The Justice Assistance Grant Board will meet to review applications and make awards on **November 17, 2021** beginning at 10:00 a.m. at the [District Attorneys Council, located at 421 N.W. 13th, Suite 125, in Oklahoma City](#).
