PUBLIC HEARING NOTICE

The local unit of government of the County of Pittsburg is considering application to the Oklahoma Department of Commerce's Community Development Block Grant Program for funding assistance. The State of Oklahoma has funds available to units of local government to undertake community development activities that primarily benefit persons defined as low and moderate income.

Community development has been identified as a community priority need and tentative decision has been made to seek funding from the Oklahoma Department of Commerce for Community Development Block Grant-Rural Economic Action Plan funding for the South Brewer Road Resurfacing Project.

According to the Oklahoma Department of Commerce's income guidelines, the project will benefit at least 51% low and moderate income residents.

The purpose of this public hearing is to enable comments on the specific project activities that are proposed and to provide a clear explanation of the probable impacts on the community and residents should the project be funded.

More specific details regarding eligible activities and program requirements will be provided at a public hearing which will be held at the Pittsburg County Commissioners' Meeting, on February 16, 2015 at 9:00 a.m.
